

**April Toyne**  
**Staff Accountant**

April Toyne currently serves as the Staff Accountant at BLG, a HealthStream Company, supporting the financial operations of the organization. April brings more than 15 years of diverse accounting experience to her role having spent 13 years at Baptist Health Care working with payroll, fixed assets, sales tax, property taxes, accounts receivable, accounts payable, and general ledger accounting. Within her position at BLG, April is responsible for ensuring the accuracy of our financial information and providing excellent service to our clients when assisting them with billing and other inquiries.

April received an Associate of Arts in Business from Pensacola State College and is pursuing a BSBA in Accounting at the University of West Florida.
